

YOUR SUPER, ALL IN THE ONE PLACE.

Got more than one super account? You could be paying unnecessary admin and insurance fees. Review your super today.

Your consolidation checklist:

Review your existing funds' fees and charges and how they affect your net benefit (the investment returns on your super after all fees and costs have been taken out).

Review your insurance – know what you have, what you may need and what you're paying for.

Compare your super with the YourSuper¹ tool at ato.gov.au.

Before consolidating your super, you should check with your existing super fund whether there are any fees or charges that may apply or any loss of benefits, such as insurance cover. If you have insurance cover with another super fund, you may be able to transfer that cover to Hostplus. To find out if you are eligible visit hostplus.com.au/insurance to learn more. You may also find it beneficial to obtain advice from a licensed financial adviser.
