WE'RE MERGING WITH HOSTPLUS

On 29 April 2022, Statewide Super will merge with Hostplus, creating a multi-sector national Fund with more than 1.5 million members, 282,000 contributing employers and more than \$82 billion in investments for members.

What the merged fund will look like[^]

Statewide Super		Hostplus		Total
 152,000 members	+	 1.384 million members	=	 over 1.5 million members
 \$11.9 billion assets	+	 \$70.9 billion assets	=	 \$82.8 billion assets

[^]Numbers are based on the net assets available for member benefits and member numbers as at 31 December 2021.

BENEFITS OF THE MERGER

Merging our funds will bring opportunities for greater scale and cost efficiencies, which both trustees believe will result in enhanced member choices, services and outcomes.

South Australian and Northern Territory members will continue to be serviced by a local team, with our offices and staff in Adelaide and Darwin to remain. This includes our Super Hub on Victoria Square/Tarntanyangga.

We'll be increasing our contact centre hours, so you can speak to our team over the phone from 7.30am - 7.30pm (ACST) Monday to Friday.

You'll still be able to access financial advice in South Australia and the Northern Territory. For those members who live in other states, you'll now have access to financial advisers much closer to home.

What does this mean?

- We'll automatically transfer your Statewide Term Pension or Lifetime Pension to Hostplus (see *page 3*), so from 30 April 2022 you'll automatically become a member of Hostplus.
- There will be a limited service period, restricting changes from 11 April 2022 to 24 May 2022 (see *Limited service period* below).
- The timing of your pension payments may change (see *page 3*).

After the transition date, you'll receive a welcome letter from Hostplus confirming your membership has been transferred.

Limited service period

To facilitate the transfer of Statewide Super members and benefits to Hostplus, the processing of some transactions and requests will be disrupted.

From 5pm ACST on 11 April 2022 until 8am ACST on 24 May 2022, the following services (amongst others) may be unavailable:

1. general updates, including changes to name and contact details or the nomination of a third-party authority and
2. changes to your bank details for your pension payments.

For further information about impacted services refer to the '*What you may need to do*' section from *page 4*.

What happens to my account?

Your Statewide Super Term or Lifetime Pension account will be automatically transferred, so from 30 April 2022 you'll be a member of Hostplus.

The timing of your pension payments may change. All other aspects of your Term or Lifetime pension, including your beneficiary nomination and end date of your pension payment will remain unchanged. You'll continue to enjoy receiving the same payments on the same terms, with no fees.

My Pension is grandfathered - will that remain?

Your Statewide Super Term or Lifetime Pension grandfathering provisions for Centrelink purposes will be retained on transfer to Hostplus. Centrelink will consider your new Hostplus Pension account to be a continuation of your existing income stream.
